

# De-Stress™

Dietary Supplement for Reduced Stress & Anxiety

**De-Stress™** from Biotics Research Corporation supplies an all natural, bio-active peptide having anxiolytic activity. In other words, **De-Stress™** can be used to reduce stress and anxiety!

Double blind human studies measured physical and psychological responses to stress. Included were measurements of cortisol and ACTH levels, as well as systolic blood pressure. In all cases, **De-Stress™** fared well against controls in response to stress.

In an animal model using a Global Anxiety Score, the active component in **De-Stress™** had a significantly lower score than the control group, the St. John's group and the Kava-Kava group (44.9 vs. 67.4, 66.8 and 68.2 respectively).

The feedback from physicians and other Healthcare Professionals has been tremendous. **De-Stress™** is a success! **De-Stress™** has been shown to be effective at reducing stress and anxiety within 24 - 48 hours, often with the first dose!

**De-Stress™**

Patented & Effective

U.S. Patent No. 5,846, 939
