

UT Complex™

To Support Urinary Tract Health

Targeted, effective support for healthy urinary tract function!

Using unique botanicals from Traditional Chinese Medicine known to support urinary tract (UT) health, **UT Complex™** was formulated and tested in a clinical setting, where its ability to successfully support this critical body system was evaluated.

Biotics Research Corporation has partnered with Dr. Gary Lasneski, DC, MS, LDN, a world-renowned health care professional who specializes in using herbal remedies in his clinical practice, to develop and clinically evaluate a product to safely and effectively support the UT system. As a result, Biotics Research is proud to offer **UT Complex™**, exclusively available through healthcare professionals.
