

# Inactive Patients Calls

Hi [patient name] , this is \_\_\_\_\_ from Doctor \_\_\_\_\_'s office.

I'm calling to tell you about an exciting new 15-Day cleanse program we have. People are feeling 65% better and losing quite a bit of weight in just 15-days. Everyone is very excited about how fast people are losing weight and feeling so much better so quickly. Who's NOT interested in fast weight loss and feeling dramatically better right?

Its a super easy program you can do yourself at home. We have a video that explains how it works and the results people are getting, can I email you a link to watch the video?

I have your email as \_\_\_\_\_, is that the best email for you?

Ok, I'm going to send the email now, check in a minute or two, be sure to check your spam if you don't see an email from us

Give us a call back if you don't get our video email in a few minutes!!

The video is awesome, I can't wait for you to see it!
